

# About the Challenge - Switch

The challenge requirements have been met.

Due to an error installing psycopg2 which made me waste a lot of time trying to fix it and could not get over it, only bonus points 1 and 3 were met.

The work is available at:

[https://bitbucket.org/crisbarbosa94/switch\\_challenge/](https://bitbucket.org/crisbarbosa94/switch_challenge/)

## Endpoints

- Endpoint returning the restaurant with id=x

localhost:8000/restaurants/x

- Endpoint returning the top 10 restaurants concerning to rating average

localhost:8000/restaurants/top

- Endpoint updating the info about restaurant with id=x

localhost:8000/restaurants/x/name=HellsKitchen&country=USA
